PROFILE

Project Manager experienced in delivering integrated marketing and communications projects for companies, organizations and public-sector institutions. I coordinate multidisciplinary teams, resources and budgets, contributing to strategic planning and the execution of digital and offline projects. I combine an international, multidisciplinary education with strong interpersonal and organizational skills, taking a collaborative, proactive and results-oriented approach.

PROFESSIONAL EXPERIENCE

INDUSTRY | Project Manager & Marketing Strategist

Rome · May 2025 – Present

• End-to-end management of integrated marketing and communications projects across websites, e-commerce, advertising, social media, branding and offline initiatives.

• Coordination of multidisciplinary teams, budgets, resources, objectives and timelines for private clients, organizations and public-sector institutions.

• Contribution to marketing strategy development in collaboration with company leadership and internal and external specialists.

• Development of project management tools using Google Sheets and Looker Studio to improve planning, monitoring and operational workflows.

INDUSTRY | Copywriting & Digital Analytics Intern
